

**JAMES THOMAS BRAZZILL, JR.**

116 - Munich Circle  
Birmingham, Alabama 35211

(205) 945-1606

**OBJECTIVE**

Seeking a Chief Civil Engineer position with Jefferson County where strong mathematical and engineering ability will have valuable application toward personal growth and advancement into management.

**SUMMARY**

Coordinates inspections with engineers and contractors. In order to ensure the quality of construction and rehabilitation projects. Knowledge of field engineering techniques and principles.

**PROFESSIONAL EXPERIENCE**

**JEFFERSON COUNTY** – Birmingham, Alabama 2/99 to Present  
Engineering Inspector – Responsible for inspections on many million dollars construction projects that were performed on sanitary sewer lines throughout Jefferson County. In the absence of my supervisor, I assigned and reviewed the work of other engineer Inspectors. I completed inspection on the complex jobs during construction as well as answering citizen complaints and requested information. I read and interpret construction drawing, plans and contract specifications. Coordinate inspections with Engineering Department and Contractors. Worked in the Plans Review Department for approximately six months. Conducts utilities inspections such as gas, electric, telephone, and storm pipes. My daily job is to communicate clearly and effectively both orally and in writing.

**CITY OF BIRMINGHAM** – Birmingham, Alabama 3/96 – 3/99  
Engineering Aide – Engineering Department • Assists in routine engineering calculations, laboratory testing, inspection and drafting work. Operates the transit and level on routine surveys. While working in a survey crew my job was to stake out community improvement projects on streets, sidewalks, storm culverts and sanitary sewer lines. Posted information onto maps or drawings and made simple sketches. I assisted professional engineering staff with accurate notes. I was promoted to Jefferson County Department of Environmental Service as a construction engineer inspector.

**ADIA TEMPORARY SERVICES** – Birmingham, Alabama 3/95 – 4/96  
Assigned to Alabama Power Company – Corporate Services • Provide support to Engineering Department maintaining documentation for all projects in progress as well as technical drawings, maps and property plans. Perform all company copying services and ensure satisfactory customer support to all departments. Track archive checking out via computer database encompassing \$7 million in drawings.

- Selected as Employee of the Month (July 1995) for outstanding performance.

**NATIONWIDE WAREHOUSE AND STORAGE** – Birmingham, Alabama 1988 to 1994  
Location manager • Responsible for ordering all new merchandise for floor samples and maintaining accurate inventory. Trained and evaluated all employees and held safety classes. Responsible for achieving weekly sales quotas and balancing daily cash report.

- Won several awards including Best Manager in Southeast and all-expense-paid vacation to Cancun.

**PROTECTIVE INDUSTRIAL INSURANCE COMPANY** – Birmingham, Alabama 1988  
Insurance Agent • Ran debits for Accounts Receivable. Collected and sold insurance to new customers.

**FISHER COMMERCIAL** – San Diego, California 1986 to 1987

Building Supervisor • Supervised, trained and evaluated building maintenance crew of ten employees. Responsible for inventory maintenance and distribution. Conducted building inspections.

**EDUCATION**

Talladega College – Talladega, Alabama

Bachelor of Arts □ Mathematics

1986

FICE: 001052  
CERTIFICATION DATE: 12/04/2009

An academic certification for:

Name: James T. Brazzill  
Student Number: XXX-XX-6770

As of the above date, we are certifying the following information:

| Year | Term             | Status              | Hours | Classification | Term Dates              |
|------|------------------|---------------------|-------|----------------|-------------------------|
| 2008 | Fall Term 2008   | Half-time           | 6     | Graduate       | 08/19/2008 - 12/11/2008 |
| 2009 | Spring Term 2009 | Less than half-time | 3     | Graduate       | 01/07/2009 - 05/06/2009 |
| 2009 | Summer Term 2009 | Half-time           | 6     | Graduate       | 05/11/2009 - 08/06/2009 |
| 2009 | Fall Term 2009   | Half-time           | 6     | Graduate       | 08/18/2009 - 12/11/2009 |

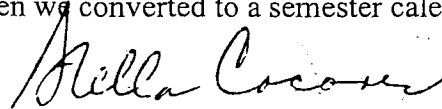

Date of graduation: 06/30/2012

This certification is provided as of this date and due to administrative procedure may differ from report to report. The student is responsible for informing the requesting institution or agency of any change in his/her enrollment status.

Our certification system is designed to expedite the sharing of academic information with many institutions and agencies. We appreciate your acceptance of this certification since hand-processed special forms impede our ability to provide a timely response.

Please note: UAB awarded semester hours credit on a quarter term academic calendar prior to Fall 2001, when we converted to a semester calendar.
